### **Home & School Links**

Welcome back to our Pentecost Term! Many thanks for your continued support last term. We were so proud of the children for everything they achieved last term, particularly their Easter Production. If you have any questions or queries, please come and see us to make an appointment either before school or after school or contact us via messages on Class Dojo; You can follow our twitter pages which are below to keep to date with things that are going on in the classroom!

### **Homework & Reading Books**

Homework is handed out on a Wednesday and is due back the following Tuesday. Homework will consist of spellings, maths, grammar and from time to time one other piece of work. This could include English, Come and See or topic based work as well as opportunities for creative homework too. Where possible, please post your child's work on class dojo either by taking a photo or uploading it. In years 3 and 4 we ask that reading diaries are signed three times per week by a parent or carer, however we do ask that children read for at least fifteen minutes everyday.

In year 3/4J diaries will be checked every day and dojos handed out if they have been signed!

Remember, there are homework and reading rewards up for grabs!

We would also really appreciate it if you could spend a few minutes ensuring that all your child's clothing is named, especially jumpers! As part of our curriculum LKS2 children will have PE sessions twice per week which may include an outdoor and indoor session. Children should come to school in their PE kit on their PE days. PE for Year 3/4J will be on a Wednesday and a Thursday.

## Our Curriculum theme for the Lent Term at Holy Trinity Catholic Academy is: *Our World/Our Locality*.

### A selection of our LKS2 Study Books

### Religious Education

In Come & See we will be following the topics 'Energy', 'Choices' and 'Special Places'.

During these topics, children will have the opportunity to explore Bible Scriptures and make links between these and their own lives as well as giving reasons for their actions. And the actions of Christians in our community

Class liturgies take place every other Friday, in which the children will prepare in groups or as a whole class. Please look at The Word of the Week clips as a family.

### Physical Education

Year 3/4J—Wednesday and Thursday

Y3/4DO—Monday and Thursday.

Year 3BH— Thursday and Friday

### English & Mathematics

In English this term the children will be investigating a range of different text type. Within each unit the children will study a variety of different skills. Each unit will end with an opportunity to produce a piece of independent extended writing. There will also be specific grammar sessions and Active English sessions in order to develop and practise the children's understanding of the structure of the English language. Separate to the English lessons, the children will also be taught through whole class guided reading sessions. Our spelling objectives will be met through the teaching of the RWI Get Spelling Programme in Key Stage 2. The children will take part in daily Maths sessions, which will develop their mental and written maths skills. Each unit will provide many varied opportunities provided to extend their knowledge. Children will be given the chance to explore 'real-life' problem solving and develop their mathematical reasoning skills throughout their work. The children will be taught a range of arithmetic strategies including using times tables up to 12x12. Each week during our Maths lessons, children will have the opportunity to work on specific objectives on IXL and practice their times tables using TT Rockstars.

### Curriculum Focus

Our Curriculum themes for the Pentecost Term at Holy Trinity are: 'Our World and Our Locality'. In Come and See our three topics for this term are Energy, Choices and Special Places. Our English work will be based around the books *Flotsam*, *Poems Aloud*, *The Willow Pattern Story* and *The Firework Maker's Daughter*. In Maths we will be studying Decimals, Time, Statistics, Shape and Position and Direction. Throughout the Pentecost term, in Geography we will be finding out about Coasts and comparing a seaside town to a port. In Science we will be learning about food chains and the skeleton and all about plants! ' This term's DT is focused on sewing and food technology. In Computing, we will be revisiting digital literacy and e-safety. We will also participate in PSHE lessons.

On alternate Wednesday afternoons we will have a Forest School session with Mrs Smith in Ecoland.

### PSHE/British Values

In our PSHE sessions, we will be looking at living in the human world, including human rights and the rights of a child and we will discuss how a baby grows and develops.
